CHAPARRAL HIGH SCHOOL

Home of the Bulldogs

PHILOSOPHY

Chaparral Continuation High School provides an alternate educational program, which meets the needs of a specific student population within the Bonita Unified School District. The school offers new opportunities for success to those students who have unresolved attendance problems and to students who have experienced credit failures and/or deficiencies.

Recognizing the individual uniqueness of each student, Chaparral offers a strong individualized academic program, which is both flexible and multi-faceted. Students are allowed to work at appropriate academic levels as they pursue their high school education. In order to ensure and encourage immediate success, students are awarded variable credits.

A positive school environment is maintained and continuous efforts are made to focus on social interaction and self-confidence, while building skills. Activities, assemblies, counseling services, and positive staff-student relationships also promote and encourage student success. A Continuation High School is for students at least 16 years of age. Students are required to attend and make a minimum of 15 credits every nine weeks. Students who are deficient in credits attend classes for six periods per day. Chaparral hours are from 8:30 a.m. to 3:00 p.m. daily.

Students who attend Chaparral or Vista High Schools must earn 220 credits and complete the Senior Experience to receive a high school diploma.

CREDITS

Chaparral offers a variable credit program. Variable credit is granted for the completion of classwork at Chaparral High School. State guidelines provide that one credit is equivalent to twelve hours of work. Students will receive credits when they demonstrate proficiency on classroom assessments. With individualized homework and independent credit opportunities, credits can be earned at an accelerated rate.

All students must earn a minimum of 15 credits every 9 weeks just to stay on track at a traditional high school. That comes out to one credit in each class every 3 weeks. Students who are behind in credits will need to accelerate that pace. Credits are awarded to students who have 1) passed an assessment demonstrating proficiency in that subject area and 2) had their completed work evaluated by their teacher who also provided feedback.

Students are expected to meet the following standards:

1. Students must meet California Content Standards for each credit as established by each teacher.
2. Students must pass an assessment of the standards for each credit at 70% or higher.

Students 18 years of age and older who do not meet the minimum credit and/or attendance standards will be placed on a special contract. Violation of the contract may result in the student being referred to Adult Education/Community College or another High School Program.

Productivity = Student Success

Our school-wide Success through Productivity Plan (STP) has been put in place to support students by encouraging them to come to school and do their best in every class, every day. Success in almost anything can be attributed to being present and participating. Our Success through Productivity Plan rewards those students for doing what they need to do. To earn your credits you need to be in school, be an active participant and do the work. If you are not, in class and participating, you will not earn your points and you will not be able to earn your credits.

STUDENT SERVICES

ATTENDANCE Ext. 4040

Regular attendance is necessary for all who wish to earn credits and be successful. A student's education will be seriously impaired by absences and tardiness. Punctuality and regular attendance are essential to success in schoolwork as well as on the job.

ABSENCES (on campus)

1. There are no longer any excused absences from school. Absences due to illness, death in the immediate family, medical appointment, or attendance at a religious retreat will still be monitored; however, they will not generate any ADA for the district.
2. PREPLANNED ABSENCES (family business, travel, etc.): parents/ guardians must notify the administration five (5) days prior to the start of a student being absent.
3. A student is truant when he/she is absent from classes or school without the knowledge of a parent or guardian or consent of school authorities. **(If a student comes to school and then leaves school without obtaining an Off-Campus Permit, the student will be marked as being truant. Students who are truant will receive disciplinary action.**

ABSENCES (distance learning)

1. Students are expected to be online with both visual and audio capabilities. Just checking in does not count.
2. Students will need to be participating in class. This will count for attendance as well as STPs.

REPORTING ABSENCES

To report an absence, please call the attendance office at (909) 971-8240 ext. 4040. Reporting your student's absence immediately is crucial.

READMIT AFTER ABSENCE

1. When a student is absent from school, he/she will need to present to the attendance clerk a verified reason (parent note or phone call) as to the nature of the absence.
2. In the case of absence because of illness, the note or phone call should be specific as to the nature of the illness. After 3 days of absence due to illness, a doctor's note is required.
3. An absence that is not cleared within three days will be marked as a truancy. Students will be assigned to lunch or after-school detention.

TARDY/TRUANT/WANDERING

Tardiness and truancy are violations of Section 48900 of the California Education Code and represent defiance of the authority of school officials. Tardiness, truancy, and defiance disrupt school activities and instruction, have a negative effect on instruction, and result in the loss of valuable time and resources. Students will be directed to arrive at class on time and attend each class on a daily basis.

Students who are late to class due to circumstances created by school personnel must validate such a tardy with a note from the person responsible for the tardiness.

Students are not to leave class without a written pass. Information on the pass will include the time of departure, date, destination, and teacher's signature. Students out of class without teacher approval will be considered truant.

TARDINESS

Students shall be considered tardy when their entrance to class is made after the tardy bell, you must check in with the attendance office when the tardy occurs during the first period. Tardies can result in a loss of points in class and possible detentions.

STUDENT SERVICES continued

CAMPUS BOUNDARIES

The Ed Jones Educational Center is a closed campus. Students are mandated/required to stay in -bounds (within the fenced-in area of the school) during school hours. Students will receive disciplinary action when they are found to be out of bounds. Students jumping over any fence for any reason may be suspended.

Therefore, the Board prohibits students from possessing weapons, replicas of weapons, or dangerous objects of any kind in school buildings, on school grounds or buses, or at any school-related or school-sponsored activities away from school.

STUDENT ACTIVITIES

Students involved in student activities learn sportsmanship, teamwork, self-discipline, self-confidence, and develop higher levels of self-esteem.

An active student body helps to develop pride in one's school and community. School spirit increases as more and more students become involved in the student activity program.

All students are encouraged to get involved and be active in some way with our program.

Students that are not progressing academically, or have not passed Integrated 1 (math) will receive assistance in the intervention classes during the regular school day.

Student Study Teams (SSTs), Individual Educational Programs (IEPs), Alternative Learning Center (ALC) Contract meetings, and parent-teacher conferences can be easily arranged during the 6th period (2:05 p.m.).

Teachers may be available to work with individual students during 6th period.

MAKE-UP CREDITS

Make-up classes in the core content areas are embedded in the daily schedule of class offerings. APEX online courses are available as well as traditional textbook-driven courses.

Credit Recovery courses are available for students who desire to earn make-up credits, have been non-productive during the previous grading period, or are unwilling to produce credits in a timely manner. Be sure to sign up early if you want to accelerate the number of credits you earn.

INTERVENTIONS continued

ALTERNATIVE LEARNING CENTER (ALC)

The ALC intervention program is a self-contained classroom to temporarily place students who are not succeeding in our regular program either because of low credit production or behavior issues. The purpose of placement in ALC is to give students another opportunity to get back on track but in a more structured setting. Students will have an altered school bell schedule, including an earlier start time, and a separate lunch. It is our goal that students will be successful in this program and quickly transition back to the school at large.

Regular day schedule: The school day begins at 8:30 and ends at 3:00 pm, with lunch at 11:23.

Compact/Minimum day schedule: The school day begins at 8:30 and dismissal is at 12:43 (compact) and 12:51 (minimum).

BEHAVIOR INTERVENTION CLASS (BIC): An in-school suspension room from 8:30-3:00 pm

BEHAVIOR AND DISCIPLINE (ACADEMIC INTEGRITY)

Behavior and Discipline (Academic Integrity)

Cheating is unacceptable at Chaparral and Vista High Schools. Cheating destroys the trust between Student and Teacher. In any of its forms and for whatever reason, cheating degrades the value of education. Our teaching staff values learning and expects students to strive to achieve their highest potential. See link to the school's academic integrity policy and the Ed Jones Educational Center website at ej.bonita.k12.ca.us.

Cell Phones/Electronic Media Devices

Cell Phones/Electronic Media Devices and other electronic devices are permitted for use before school, lunch, and after school only; otherwise should be kept out of sight. Headphones and earbuds allowed only in the classroom with teacher's permission. Students are not permitted to use their cell phones while waiting in the office or to contact a parent due to illness. Students should go through the nurse to make contact. Any student in violation of this policy or using such devices inappropriately will have them confiscated, assigned appropriate consequences, and returned only to a parent/guardian. Continued violation of this rule will result in further disciplinary action. The school is not responsible for any lost, stolen or misplaced items brought to school. (Ed. Code [48901.5](#))

Students attending our school are here to focus on classwork and credit earning. Cell phones detract from that focus, so cell phones are not permitted to be used in classrooms at Chaparral or Vista High Schools (see cell phone policy). Teachers may warn students and/or ask the student to give them their phone to hold until class is over. If the student refuses to comply, they will be referred to the office where there will be consequences determined by a progressive discipline policy.

No Gum or Sunflower Seeds

In order to keep a clean campus gum and sunflower seeds are not permitted.

Student Conduct

All students are expected to be kind and courteous to their schoolmates, refrain from fighting and use of profanity and offensive language, be respectful and obedient to school personnel, and be diligent in their studies.

Threats/Harassment

Threats or bullying are not tolerated at any time on the campus. Students who make threats of any kind, including the use of social media outlets to threaten or harass any other students or staff, will result in disciplinary action. Threats against teachers and/or administrator are in violation of federal law and will result in disciplinary action.

BEHAVIOR AND DISCIPLINE continued

Cyberbullying

Cyberbullying includes the transmission of communications, posting of harassing messages, direct threats, or other harmful texts, including images on the internet, social networking sites, or other digital technologies using a cell phone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's account, modifying content contained within that account, or assuming that person's identity in order to damage that person's reputation. Students who engage in any acts of cyberbullying will receive disciplinary action.

Weapons and Violent Acts

Students possessing, exhibiting or threatening others with a weapon are subject to suspension and expulsion in accordance with law. In addition, students may be suspended if they threaten others or disrupt school activities by exhibiting a replica of a weapon. Weapons and dangerous objects include, but are not limited to: Firearms: pistols, revolvers, shotguns, rifles, "zip guns", "stun guns", tasers, and any other device capable of propelling a projectile by the force of an explosion or other form of combustion; Cutting and puncturing devices: dirks, daggers, ice picks, knives, or razors with an unguarded blade; Explosive and/or incendiary devices: pipe bombs, time bombs, cap guns, containers of flammable fluids, and other hazardous devices; Any instrument that expels a metallic or rubber projectile, such as BB for a pellet, through the force of air pressure, carbon dioxide pressure or spring action, or any spot marker gun. Violent Act — if a student participates in a fight in any way, that student may be recommended for an administrative disciplinary hearing. This includes retaliation by any student, students encouraging another student to fight—including being present at a fight or recording a fight—are considered to be "aiding and abetting" and will be disciplined accordingly.

THROUGH HIGH SCHOOL AND BEYOND...

GENERAL EDUCATION DEVELOPMENT (G.E.D.)

This national examination certifies that those who pass the test have the skills of a high school graduate and it verifies the equivalency of a high school diploma. The G.E.D. preparation class improves student skills and familiarizes the student with the requirements for the test.

CALIFORNIA HIGH SCHOOL PROFICIENCY EXAMINATION

Passing the CHSPE does not exempt the student from attending school unless he/she is 16 or over and has verified parental permission to leave early. Many students who pass CHSPE continue to attend school and work towards a high school diploma.

WHEN TO GO TO COLLEGE . . .

With Mount San Antonio College, Citrus College, California Polytechnic State University Pomona, and the Claremont Colleges in our immediate area, the statement is not only when but where.

A HIGH SCHOOL DIPLOMA IS YOUR TICKET TO COLLEGE.

NOTE: The California Department of Veterans Affairs (CDVA) administers a college fee waiver program for children and dependents of service connected disabled or service related deceased veterans. The waiver of fees is only applicable at California community colleges, California State University campuses and the University of California. For more information about the state waiver of fees and other benefits, contact the Los Angeles Veterans Service Office, West Covina Branch, (818) 813-3402.

SCHOLARSHIPS

There are many opportunities for hardworking students graduating from high school to receive financial help to continue their education. This help may be granted for the purpose of attending a four-year college, a junior college, or a trade or business school.

It is important that each student be acquainted with scholarship opportunities and with the application procedures. Scholarships are awarded by colleges, universities, businesses, and professional organizations, the California State Scholarship Commission, and the National Merit Scholarship Program, usually on the basis of a student's high school record, his or her financial need for assistance, and rating on competitive examinations.

In addition to maintaining high academic and citizenship standards during high school, a student should also demonstrate qualities of leadership through participation in student activities and student government. More complete information is available from the school counselor.

CAREER OPPORTUNITIES AND INFORMATION

In addition through the San Antonio Regional Occupational Program (ROP), Chaparral High and VISTA School students learn entry-level job skills, earn high school credits and develop attitudes and knowledge which are important in the world of work. Numerous classes are held at job sites, hospitals, vocational centers, and on high school campuses. Information and registration forms are available in the counseling office.

MT. SAN ANTONIO COLLEGE (MSAC)—BONITA UNIFIED SCHOOL DISTRICT'S ADULT EDUCATION PROGRAM

Through the combined association of MSAC and the Bonita Unified School District, numerous programs are available for individuals who are interested in pursuing a high school diploma.

The following programs are being offered:

- G.E.D. Program prepares students to pass the test to receive the General Education Diploma Equivalency Certificate.
