# TESTING

We will participate in CAASPP testing beginning on Tuesday 4/16/24. Every year our students participate in state testing in order to identify their current academic levels. We do this as a school so we can continue to provide the best academic supports possible for each student. 11<sup>th</sup> grade students will be testing in English and 10<sup>th</sup>/12<sup>th</sup> grade students will be testing in Science 4/16 – 4/18. The following week 11<sup>th</sup> grade students will be testing in Math 4/23 – 4/25. Please make sure that your student's Chromebook is fully charged and ready to go for testing each day, and have them bring their charger with them. Also, make sure your student has a good night's sleep each night during the testing period and eats a good breakfast before participating in the testing process each day!
